

Property Owner/Manager Consent

The tenant named below (“Tenant”) has requested that ICF International (“ICF”), acting on behalf of Public Service Company of New Mexico (“PNM”), perform a Home Energy Check Up (“Checkup”) for the property where the Tenant resides (i.e., the “Property” identified on this form). As part of the assessment, ICF may install energy efficiency measures that are subsidized by PNM. These measures may include up to 20 efficient light bulbs, a programmable thermostat, up to two efficient-flow showerheads, two LED nightlights, two smart power strips and/or up to three faucet aerators. By signing this document, the owner or manager of the property (the “Property Owner/Manager”) consents to installation of such measures in the tenant’s unit.

Refrigerator Replacement Form

The existing primary refrigerator (“Old Refrigerator”) located at the property may be eligible for replacement at no cost to the tenant or property owner/manager. If the old refrigerator is deemed eligible for replacement by an ICF Ambassador, actual replacement with a new refrigerator is contingent on surrendering the old refrigerator for recycling.

Ownership of the new refrigerator will be governed by the lease agreement that exists between the property owner/manager and the tenant.

The existing primary refrigerator in the unit is owned by:

If old refrigerator is owned by property owner/manager:

As the owner/manager of the property identified on page 1, I (we) have the authority to consent to improvements and alterations within the tenant's unit. I (we) hereby authorize ICF to replace the old refrigerator with a new refrigerator of similar size and capacity. I (we) understand that this offer is contingent upon release of the old refrigerator for recycling at the time of delivery of the new refrigerator. I (we) are not responsible for the cost of the new refrigerator or for recycling the old refrigerator. I (we) understand that I (we) will not receive cash reimbursement for releasing the old refrigerator.
